One possible version:

Dear Jack,

I am so pleased to learn that you are to spend some time in China.

I recommend you stay in Beijing, the capital and cultural center of China. The city enjoys a high reputation for its abundance of ancient architecture, which represents the traditional local lifestyles. And there are also plenty of museums where precious relics of historical interest are waiting for you to explore. Besides, the exceptional Peking Opera performances there are also what you can't miss.

I wish you a very happy and meaningful time in China!

Yours sincerely,
Li Hua

概要写作

An increasing number of Americans are becoming workaholics. They work extra hours every week to maintain their jobs and become financially successful. Even on holiday, modern communication technologies always connect them to work. Consequently, workaholism breaks up their families and damages their health. Luckily, there is a lot one can do to make time away from work though it takes some effort, but anyway, it's worthwhile to have a try.
